This WTO Case Review is the 13th in our annual series on substantive international trade adjudications issued by the Appellate Body of the World Trade Organization. Each Review explains and comments on Appellate Body reports adopted by the WTO Dispute Settlement Body during the preceding calendar year (January 1st through December 31st), excluding decisions on compliance with recommendations contained in previously adopted reports. Our preceding Reviews are:

We are grateful to the editors and staff of the Arizona Journal of International and Comparative Law for their excellent editorial assistance and continuing support of our work.

The WTO reports we discuss are available on the WTO website, at www.wto.org/english/tratop_e/dispu_e/find_dispu_cases_e.htm. The texts of the WTO agreements we discuss also are available on the WTO website, at www.wto.org/english/docs_e/legal_e/legal_e.htm, and are published in a variety of sources, including RAJ BHALA, INTERNATIONAL TRADE LAW: INTERDISCIPLINARY THEORY AND PRACTICE – DOCUMENTS SUPPLEMENT (3d ed. 2008). We endeavor to minimize footnotes and, toward that end, provide citations to indicate sources from which various portions of our discussion are drawn.
